OBJECTIVE

Hello! I'm Kevin Uchechukwu Nkwe, a Front-End Developer. I combine a solid background in Computer Science with a passion for creating user-centric designs and seamless web experiences. Currently, I work as a Principal Computer Technologist, where I apply my technical knowledge and design skills to bridge the gap between innovation and functionality.

EXPERIENCE

2005 2010	**- Network Administrator** **Online Computer House – Internet Cybercafe** The Network Administrator is responsible for the design, implementation, maintenance, and troubleshooting of an organization's computer networks. This role ensures the stability, security, and optimal performance of all network infrastructure, supporting daily operations and enabling business continuity.
2011 2013	**- Assistant Computer Technician** **Nigerian Institute of Leather and Science Technology, Zaria** The Assistant Computer Technician supports the installation, maintenance, troubleshooting, and repair of computer systems, peripherals, and related hardware. Working under supervision, this role ensures that all IT equipment is functional and that end-users receive prompt technical assistance to maintain productivity.
2014 2015	**- Computer Technologist** **Nigerian Institute of Leather and Science Technology, Zaria** Assisting with general supervision of laboratories and/or workshops, including subordinate staff. Maintaining accurate records of all equipment (capital and consumables) to prevent loss. Ensuring apparatus for student practicals are properly set out and functional. Arranging for the prompt maintenance of equipment. Supporting and assisting in the execution of projects. Performing other assigned duties.

2018

- Computer Technologist
Nigerian Institute of Leather and Science Technology, Zaria
Assisting with general supervision of laboratories and/or workshops, including subordinate staff.
Maintaining accurate records of all equipment (capital and consumables) to prevent loss.
Ensuring apparatus for student practicals are properly set out and functional.
Arranging for the prompt maintenance of equipment.
Supporting and assisting in the execution of projects.
Performing other assigned duties.

2019
2021

- Computer Technologist II
Nigerian Institute of Leather and Science Technology, Zaria
Assisting with general supervision of laboratories and/or workshops, including subordinate staff.
Maintaining accurate records of all equipment (capital and consumables) to prevent loss.
Ensuring apparatus for student practicals are properly set out and functional.
Arranging for the prompt maintenance of equipment.
Supporting and assisting in the execution of projects.
Performing other assigned duties.

2022
2024

- Computer Technologist I
Nigerian Institute of Leather and Science Technology, Zaria
Assisting with general supervision of laboratories and/or workshops, including subordinate staff.
Maintaining accurate records of all equipment (capital and consumables) to prevent loss.
Ensuring apparatus for student practicals are properly set out and functional.
Arranging for the prompt maintenance of equipment.
Supporting and assisting in the execution of projects.
Performing other assigned duties.

2024
2024

- Senior Computer Technologist
Nigerian Institute of Leather and Science Technology, Zaria
Assisting with the evaluation of students' practical work. Assisting superior officers in the running of laboratories and workshops.
Performing other assigned duties.

2025
Present

- Principal Computer Technologist
Nigerian Institute of Leather and Science Technology, Zaria
Supporting and assisting in the execution of projects.
Taking custody of laboratory and workshop consumables.
Rendering accounts for all laboratory and workshop consumables to the HOD.
Arranging and coordinating student excursions and field trips.
Developing and improving practical manuals. Performing other assigned duties.

EDUCATION

2010	**Higher National Diploma in Computer Science** Nuhu Bamalli Polytechnic, Zaria
2008	**National Diploma in Computer** Nuhu Bamalli Polytechnic, Zaria
2006	**Diploma in Computer Science** Nuhu Bamalli Polytechnic, Zaria
2004	**Diploma in Data Processing and Computer Programming (DDPCB)** MULTIPLE-BYTES COMPUTERS INSTITUTE, ZARIA
2008	**IT Essential: PC Hardware and Software** CISCO NETWORK ACADEMY, AHMADU BELLO UNIVERSITY, ZARIA
2007	**Intensive Workshop on Web Application Development Using PHP and MySQL** IYA ABUBAKAR COMPUTER CENTER, AHMADU BELLO UNIVERSITY, ZARIA
2011	**Intensive Workshop on Computer Hardware/Software Maintenance Repairs** EQUIPMENT MAINTENANCE & DEVELOPMENT CENTER, AHMADU BELLO UNIVERSITY, ZARIA
2010	**Oracle 10g Database Administration Professional** NIIT
2024	**Data Analysis and Visualization Using SPSS and Ms Power BI** Digital Bridge Institute, Abuja

SKILLS

Website Development (Frontend Developer - HTML, CSS, AND JAVASCRIPT)

Website Development (Backend Developer - Web Application Development Using PHP and MySQL)

MySQL

SQL

MySQLite

Python

PHP

C++

C programming language

Java

Oracle 10g Database Administration Professional

INTERESTS

Computer Programming

ACTIVITIES

Research and Football
